

Mann Marzi

EXPRESSIVE INDIAN CUISINE BY CHEF NIMISH BHATIA

THE NOIR ELEGANCE

Step into the world of Noir, where the glass becomes the canvas, the bartender the maverick, and every pour a soulful invocation. Cocktails here are not merely stirred they are composed, like chapters in a living narrative, guided by the ancient wisdom of apothecaries, the legends of old and new spice routes, and the rhythm of nature's elements.

Each drink is crafted as an ephemeral journey a momentary dialogue with nature itself: fire that transforms, water that calms with clarity, air that carries fleeting aromas, and earth that grounds with depth and memory. Woven through them all is the fifth element spice a storyteller of deserts crossed and seas sailed.

Layered like a dish, our food-forward creations unfold as textured tales, seasoned with nostalgia: caravans bearing saffron across endless sands, towering jackfruit trees along the Muziris coast, whispers of pancha Kapooram drifting through Indian palaces, coffee once traded like pearls, and exotic herbs foraged by healers who understood that flavour and remedy were one.

At Noir, we invite you to taste beyond the obvious. Here, a drink is more than a fleeting pleasure it is a dialogue between ingredient, instinct, memory, and imagination; a heady tale distilled into a glass. Sip slowly. Let the saga unfold.
